

Calling ALL FIRST LEGO League Teams

- Is your team interested in meeting other teams in the Northeast Ohio area?
- Does your team want to gain experience presenting in front of a panel of judges?
- Would your team like the opportunity to practice table rounds with feedback from actual referees?

If your team answered yes to any of the above questions, we encourage you to attend the **“Senior Solutions” Scrimmage and Mock Judging** event that will be held at the University of Akron on November 11, 2012 from 1:00pm to 4:00pm.

Scrimmage

- The goal of the scrimmage is to allow teams to practice their robot table rounds performance with feedback from referees in the Northeast Ohio area.
- There will be three extended rounds for teams to practice their table rounds performance.
- A pit area will be available

If your team is interested in participating in the robot rounds Scrimmage, please follow the link to register <http://goo.gl/8JaaG>

Mock Judging

- The goal of the mock judging sessions is to allow teams the opportunity to gain experience presenting in front of a panel of judges which will increase their presentation skills.
- There are three judging sessions (Project, Robot and Core Values). Teams will have the opportunity to choose two areas in which they would like to practice their presentations.

If your team is interested in participating in the Mock Judging, please follow the link to register <http://goo.gl/Q7Bem>

If you have any questions concerning the **“Senior Solutions” Scrimmage and Mock Judging** event, please contact Tim Sisson tsisson@uakron.edu or Stephanie Kimber slk72@zips.uakron.edu
