Jr.FLL registration will begin at 8:00 a.m. You must have your presentation set up and ready to review by 9:00 am

Cancellation Policy: The Dublin Jr.FLL Expo and District Tournament will only be canceled or delayed due to causes and conditions beyond the tournament organizers' control, including, but not limited to, Acts of God, government restrictions and/or any other cause beyond the tournament organizers' control. In the event of inclement weather, the tournament will only be canceled if Union or Franklin County is under a Level 3 Snow Emergency. Please refer to local news and radio for current county advisories. If the event must be canceled, it will not be rescheduled.

Team Escort – Pit Tour

There will be a team escort assigned who will take you on a tour of the pits. He/she will take your team through the FLL Pit area so your team can see the “big kids” working with their robots and practicing on the practice tables.

Review Session

The team will meet with some adult reviewers who will look at their poster and their model. The reviewers want to have a conversation with the team about what they researched and what they learned. The reviewers will also want to know about the model, how they decided on their item that moves and what they decided to illustrate with their model. Basically, this is a time when interested, educated adults spend some time interacting with the kids about their learning. The team will receive a comment sheet from the reviewers so that they can see what the adults thought about what they did.

Please be respectful of our facility and do not allow team members to roam the halls or wander past the designated judging area boundaries.

FLL Opening Ceremony/Jr.FLL Closing Ceremony: 11:30 a.m.

Jr.FLL Closing Ceremonies will be held in conjunction with FLL Opening Ceremonies. This brief celebration will occur right before the robot competition begins.

Spectators

Spectators are welcome and encouraged. There will be seating and a large video screen to enable them to watch the stage. Family members will not be permitted in the pit area, on the competition floor, or in the judging rooms.

Immediately following the Jr.FLL Closing Ceremonies, you and your team are invited to stay for the rest of the afternoon to watch the FLL Competitions.

Pre-Competition Paperwork: We will need a completed FLL “Consent and Release Agreement” for all students and adults on your team. Please bring a signed copy for each person to the competition and we will collect them at Registration. No team member will be permitted to compete without completed release forms!

NOTE: Your team members WILL be photographed!! (Please refer to the FLL Consent form). If a parent prefers that a child not be photographed, he/she must either tell the child to step out of camera range when a picture is being taken or he/she can choose not to bring the child to the competition. **By signing the FLL form and participating in the competition, you accept the fact that your child will be photographed and that image may be used on the Ohio FLL website or other Ohio FLL promotional materials! (A child's name will never appear in conjunction with his/her picture unless written permission from the parent is obtained).**

THANK YOU FOR COMING!! HAVE FUN!!
