

2012 *FIRST*® *LEGO*® LEAGUE MIGHTY WARRIORS REGIONAL

FAMILY INFORMATION PACKET

WELCOME TO THE *FIRST*® *LEGO*® LEAGUE MIGHTY WARRIORS REGIONAL!

Welcome and Congratulations to you and your child's FLL team! We are thrilled to be able to host this qualifying tournament, and we thank you for being a part of this experience!

In order to give you and your child the best possible experience, this document will explain some of our policies and give you some information that will make your experience and your child's team experience ones you will remember for a long time.

TEAM ONLY AREAS:

As you know, *FIRST*® *LEGO*® League is a child and team driven program. Through FLL, teams are empowered to decide on their own direction, their own solutions, and their own problem-solving strategies. Children learn to become independent thinkers with advanced teamwork and critical thinking skills.

Coaches are those indispensable guides and role models, but the kids are the ones who do the work. Because of this fundamental philosophy, we do have "Team Only" areas, where teams can focus on the competition with minimum adult interaction and influence. In this way, the team takes responsibility for their problem-solving and their successes. Our judges are able to see and visit with the kids, to hear and see what they have learned, and to communicate with them authentically. For this reason, our Pit and Judging Areas are closed to the public. Up to two adult coaches/mentors may be with the team in these "Team Only" areas. Parents are welcome in the competition area as spectators, but will not be allowed at the tables. We thank you in advance for your understanding and respect for this policy.

JUDGING SESSIONS:

Your child's team will be judged in three areas (Senior Solutions Project, Robot and Core Values), during a pre-assigned judging time on the morning of the tournament. You can find a copy of the tournament schedule, including both judging and robot performance, on the Mighty Warriors Tournament page of the Ohio FLL website at: <http://edoutreach.wpafb.af.mil/Robotics/media/2012/flyers/warriors.html> or in the Mighty Warriors Regional Program Book, which is available at the Information/Registration Desk located inside the main entrance to the building.

The event is closed to the public during Friday evening judging. Parents and family members may not travel with the team into the Team Judging areas. The event is open to the public on Saturday; however, the competition and pit areas are reserved for team members and two coaches per team.

You are free to be in the spectator section and the cafeteria and lobby. There are food concessions in the cafeteria, which will open at 7:30 AM and remain open until 3:00 PM, serving coffee, beverages, pizza, taco's and snacks.

PIT AREA:

This area is open only to team members and two coaches. The pit area is in the multipurpose room behind the gym. If you need to communicate with your child while he/she is in the pit, please contact a volunteer at the information table in the lobby.

TEAM COMMUNICATIONS:

We recommend that you make arrangements with your team in advance for down times when you can all meet. For instance, you might all want to meet for lunch during a long break in the team's schedule. You also might want to spend some time watching parts of the robot competition together. If you prepare for these times in advance, it will make the day less confusing.

iSPACE DISTRICT TOURNAMENT INVITATIONS

The FLL Mighty Warriors Regional will advance five teams to the iSPACE District Tournament on January 12, 2013. Champion's Award criteria will be used and the ambassador team will advance, even if this team is not in the top 25% of teams at this event.

A FINAL NOTE ABOUT GRACIOUS BEHAVIOR

In FLL we embrace the value of "Gracious Professionalism™." Please be gracious observers of this FLL experience. Poor behavior on the part of family members can impact a team negatively with the judges.

Thank you for allowing your child to participate in this powerful, empowering program. You have to be incredibly proud of your child's growth over the course of this tournament season! These teams inspire us as well!

HAVE FUN!
