“We understand that if we are chosen as an Ohio Regional/District/State FLL Ambassador, we will be asked by our regional tournament partner, other regional tournament partners in our district or the Ohio state partner to promote the FIRST LEGO® League program in our region/district/state for a term of one year. We may be asked to attend school meetings; FLL kick off events; science fairs; conventions; and FIRST tournaments to promote FLL. We may also be asked to help with team mentoring. We agree to accept these and other responsibilities as appropriate for an Ohio FLL Ambassador team. Up to two coaches and up to 10 team members must sign the agreement in order for the application to be complete.”

## Ohio FLL Ambassador

Explain how your team demonstrates each of the FLL Core Values. Please use clear, concrete examples in your essay.

**Essay responses must be no longer than 500 words in length**

- Discuss your teamwork. Items to consider in your discussion: leadership roles; division of tasks; conflict resolution; problem-solving; etc.
- Explain the role of the coaches and mentors on your team. Items to consider in your discussion: How has your coach or mentor influenced the team? Is your coach a good teacher? How do the kids make decisions? How does the team demonstrate its independence? What are some things your coach learned from you?
- Explain how your team is able to balance the competitive need to win with the ability to have fun and to embrace other teams in a spirit of friendship, whether your team wins an award or not.
- Explain what gracious professionalism means to your team and give examples of how your team displays gracious professionalism to each other and to others.
- Give examples of your outreach. You may draw your examples from your research project and/or from outreach you have done on behalf of the *FIRST*® LEGO® League program. Explain an idea or a plan that you have for promoting *FIRST* in your community.
